First and foremost, I hope everyone is staying safe and taking all precautionary measures to protect yourselves and your family members during this unprecedented time in our fight against the CORVID-19 pandemic. It is because of this, with the Board of Director’s recommendation and concurrence of the membership, that I regretfully must announce that we will be canceling our April 9th General Membership Meeting, with hopefully the Lotus Gardens Outdoor Living Center site tour and presentation being postponed to a later meeting date. I thank everyone for doing their part in battling this virus, which has taken our globe by storm.

I wish to express my sincere gratitude to Carolyn Mooradian, CCA, CIT for chairing the 20th Annual Recognition Night on March 12th. It was a wonderful evening, in which we were able to honor our very own Caryn Wiser for being awarded the 2019 NAWIC Future Leader of the Year. Three Corporate Sponsors were able to attend and be recognized: Donna Shepherd of Motivational Systems, Inc., Catherine Tuell of Terry Tuell Concrete, Inc. and Deanna Spencer of Quality Carpet Design Center, plus, a special recognition of the ongoing support of Doug Mooradian. In addition, Diana Spino of Lotus Gardens Outdoor Living Center was introduced as Pauline McIntosh, CCA, CIT’s boss. Thank you again to the generosity of all our Corporate Sponsors.

Also honored that night were two Scholarship Recipients, Vivica Arguelles and Karley Hager, from Fresno State. Congratulations go out to both recipients for well-deserved wins, and keep up the great work academically and in future endeavors.

The evening also honored two competing high schools in our annual WIC Week Competition. Both Clovis High School (under the direction of Jay Eichmann) and Fresno High School (under the direction of Kei Shabazz) competed against each other to construct custom-made dog houses. Both teams contributed their imagination, resources and talent. Fresno High School won First Place. Thank you to both Carolyn Mooradian, CCA, CIT and Patricia Krueger for taking the time to judge these projects. The event concluded with Caryn Wiser conducting the Wine Raffle fundraising ticket drawings, with a number of attendees present winning baskets of wine.

A special shout out goes out to our newest member, Rhea Anderson of RMA GeoScience, Inc. Welcome Rhea! Please feel free to reach out to myself or our Board of Directors with any questions you may have. We are just an email or text away.

Have a safe and joyful April!

Thank you,
Janelle Romo – President, Fresno Chapter 108
Welllll...this is a very interesting time we are now going through. It has not only upset our everyday schedule, but thrown it for a complete loop! Hope you are all well and healthy.

Pauline and her son Dave, attended a Marine Corps flag raising at Table Mountain Casino by Teichert Construction. Also, in attendance was Bart’s wife, Jen, his mother Linda and other close friends. It was in honor of Pauline’s “third son”, Bart Kreiger, who passed. Bart was the lead Project Manager for the project and was to be our speaker at the May General Membership Meeting. During the raising of the flag, the total project was shut down – not a sound was heard. He will definitely be missed.

Cyndi participated in the 5th Annual Support Blue Run at Woodward Park, supported by Debbie’s Alert-O-Lite ~ True Value and Cyndi’s startup of F45 Training North Fresno. Cindy does love her dogs and we all need to support our NAWIC sisters.

Fresno Chaffee Zoo Docent Carolyn taking Al the Alpaca for his morning stroll and adding mileage on their Fitbits. This is one of the things she truly enjoys about being a docent. Out in the fresh air with the animals. I know she doesn’t like it when it is cold though. Another fun time at the zoo was the Frogs & Fairytales event where she demonstrated how to handle a ferocious lion. Some children came dressed in costumes.

The Tahoe Joe’s Fundraiser WIC Week event was enjoyed by Carolyn and Doug, with their friends George and Judy, Donna and Rob, with her parents Richard and Judy, Pat and Luetta, Pauline and Jerry, with their friend Karlene (who has attended a couple of our latest meetings) and her parents Stan and Pam, Cyndi and Chavo with a takeout, and other neighbors and friends. If you did not attend this event, plan to for next year. The food was delicious, especially the ribs!

Pauline, Carolyn and their friend Lanie enjoyed a nice dinner at George’s Bar & Grill and then attended Chicago the Musical at the Saroyan Theatre. Can’t beat George’s for their food! What a great stage play! They did the whole play without so much as a set change. The only thing added a couple of times were chairs.

Yolanda had a wonderful vacation in Hawaii on the Island of Oahu. When you see her next time, be sure and ask her about her fun time. She did post some pictures on Facebook also.

Carolyn and Pat judged the WIC Week High School Dog House Project Completion creations. The competition was between Clovis High and Fresno High, with Fresno High winning First Place. One thing about the Fresno High project was the solar light on the front of the dog house. Who knew a dog would like its own solar light! Paula made her TV debut on Extreme Makeover: Home Edition, with the presentation of a De Young Properties’ home in the Highlands community of Clovis to Cal Fire Captain Nick Reeder and his family, made possible with donated supplies and over 10,000 volunteer hours. What a wonderful community project.

What do kids do when their school has been cancelled for a couple of weeks? Pauline’s grandson, Kyle, is spending part of his time perfecting his ski jumps from a trampoline. He did break one of his skis, but I guess he taped it up and continued. Leave it to kids to find something fun to do without an electronic device in their hands. Scary maybe, but he was outside in his backyard and enjoying the sunshine.

Please, all of you stay healthy! If you have some news you want to share with me, I would love it. With all the health conditions we are trying to meet, you may not have pictures, but if you have any news, let me know.
If you know the answer to and correct spelling of the longest town name in the world, you will receive a gold star and be featured on the cover of the Guinness World Records. As a hint, the town is located on the island of Anglesey, on the Menai Strait, in Wales.

What is the name of the town? (Answer on Page 10)
