The month of February has just flown by us, and with it a reschedule in our February General Membership Meeting. If you have already made your reservation for February 28th at the Elbow Room, you are in for a treat to hear our guest speaker, Lee Ann Eager, President/CEO of the Economic Development Corporation (EDC) serving Fresno County.

March will hold exciting things for our Fresno Chapter. Please mark your calendars for our WIC Week, March 3-9. We will begin our WIC Week by fundraising with Tahoe Joe’s Restaurant on March 3rd. Tickets through this fundraiser are $20 to purchase from a select menu and a portion of the proceeds will go towards our scholarships fundraising goals. We will also, once again, be collaborating with Clovis High School, and eliciting their skills and talents to construct an item that can be donated to our local charity. If you would like to have one of these hand-made patio chairs, I am sure Clovis High would be willing to take a few orders to earn funds towards their Construction Program.

I would also like to remind you all of our March Recognition Night scheduled for Thursday, March 14th. It is not too late to consider extending an invitation to your employers, co-workers and industry affiliates. We take this time to recognize our sponsors and employers for their continued support of our NAWIC Fresno Chapter 108.

April will approach us quickly, so I would like to take this opportunity to leave you with a Save The Date: Pacific Northwest Spring Forum in Seattle, Washington, April 11-13. This Forum will have great speakers, and will be guaranteed to educate and inspire our fellow women in the construction industry. If you are interested in attending, please feel free to contact me for the details.

Thank you,

Janelle Romo – President, Fresno Chapter 108
Well, I guess everyone was having such a fun time this month, they forgot to send me any of their news!

Hope all enjoyed the Super Bowl. I see where Pauline did with her neighbors and friends Randi, Maggie and Melanie. Was not that great of a game – personally, I would rather have more action in the touchdown department. The food, snacks and drinks were great. Oh well, there is always next year.

Every Thursday morning – rain, shine, cold and sleet, Pauline attends the Leads of North Fresno breakfast meeting. Each meeting, there is a speaker who talks about their product. Kathy Glick of Computer Care and Suzanne Moles of Wattleweb Global Solutions were a couple of speakers. Suzanne Moles is our website administrator.

Asha enjoyed a Hula Saturday with her friends at Hālau Hula I Ka Lā - Hula Studio. All looked like they were having a great time.

Hope all of you enjoyed your Valentine’s Day /evening with your spouse/significant other or friends. It is a nice tradition to do something special.

Yolanda got a real nice surprise at work on Valentine’s Day. She received a package and thought it was the steel toed boots she ordered. She tried to set it aside and finish helping the two customers she was with, but they insisted she open it. When she opened it, it turned out to be flowers from her daughter and son-in-law. What a wonderful surprise!

Know some of the rain storms have kept us all inside for the past couple of weeks, but Spring will be coming soon. A lot of the orchards are in bloom. If you want a beautiful Sunday afternoon ride, try the Blossom Trail. It should be beautiful for the next several weeks.

Or if you are more adventurous and want to play in the snow, head for the mountains. They are not that far away.

Hope you all have a wonderful March. Please send me your March adventures!

Happy St Patrick’s Day

Fresno Chapter 108
An Abandoned Subway System Which Was Never Used! Hidden beneath the streets of this city is the largest abandoned tangle of tunnels and stations in the United States. Proposed in the 1910s as an upgrade of the city's streetcar system, the project was interrupted by World War I and later abandoned because of inflation and political infighting.

What is the name of the city? (Answer on Page 10)
