# BrightSourceEnergy™

Connie Moser  
Senior Projects Control Manager  
BrightSource Energy Inc.

Saturday opening speaker - Connie Moser is senior projects control manager for BrightSource Energy. Connie brings 10 years of experience in construction and contract management to her role at BrightSource Energy. Prior to joining BrightSource, Moser served as project manager for Suntech Energy Solutions, where she managed the installations of more than 2MWp of solar photovoltaic systems for commercial and municipal customers. Moser has also held project management positions at The Albert Group and West Bay Builders, Inc. Moser holds a degree in Economics from Sonoma State University and a degree in Communications from Cameron University.

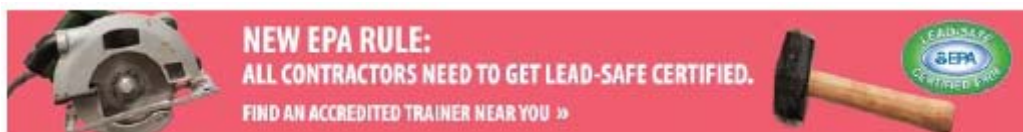

Connie works closely on BrightSource projects in Coalinga and Ivanpah, and will provide a great overview of company, projects, technology, and industry, especially as it relates to women in construction. Additional information about Bright Source is available on its web site [www.brightsource.com](http://www.brightsource.com).

## THE NEW EPA LEAD LAW: Renovation, Repair and Painting (RRP) AN OVERVIEW What its about and how it affects us

Afternoon speaker - Valina Wisner, President of Mold Solutions, Inc., licensed California Contractor and NAWIC Fresno Chapter member.

Ms. Wisner specializes in Asbestos, Lead and Mold Remediation. She has over fourteen years experience in the Environmental Remediation Industry. Valina is an EPA Certified Renovator and is certified by the State of California Department of Public Health as a Lead Supervisor and Project Monitor
